Eminent Boctors Praise Ite Ingredients. We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Favorite Prescription.
Dr. John Fyle one of the Editorial Staff of The Ecutoric Medical Review says of Unicorn root (Helonics Dioted) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator" makes for normal softire of the entire reproductive arsism.

"A remedy which invariably sots as a uterine invigorator " " makes for normal sogivity of the entire reproductive system."
He continues "in Helonias we have a medicament which more fully answers the above
purposes than any other drug with which I amacquisinted. In the treatment of diseases poquilar to women it is seldom that a case is
seen which does not present some indication
for this remedial agent." Dr. Fyfe further
says: "The following are among the leading
indications for Helonias (Unicorn root). Pain
or aching in the back, with leucorracea;
atonic (weak) conditions of the reproductive
organs of women, mental depression and irritability, associated with chronic diseases of
the reproductive organs of women, constant
sensation of heat in the region of the kidmerys manorrhagia (stooding), due to a weakened condition of the reproductive system;
amenorrhags (suppressed or absent monthly
periods), arising from or accompanying an
and answale (thin blood) habit; dragging
sensations in the atrume lower part of the
abdomen."

If more or less of the above symptoms

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medical properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions " and general onfeedlement, it is useful."

Prof. John M. Sendder, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine in use about which there is such peneral unanimity of opinion. It is unicerally cosarded as the tonic useful in all dobilitated scates."

Prof. Bartholow, M. D., of Jefferson

Bartholow, M. D., of Jefferson al College, says of Golden Seal:
